## Career Objective

Motivated BCA final year student seeking an entry-level position in IT sector to utilize my technical and communication skills and grow professionally. I am a dedicated and enthusiastic fresher who is eager to learn and grow in a professional environment. I am a quick learner with a positive attitude and strong attention to detail. I take my responsibilities seriously and always try to complete tasks on time with quality work. I am open to feedback, adaptable, and motivated to gain real-world experience while contributing my best efforts to the organization.
Outside of work, I enjoy listening to music, which helps me stay focused and creative, and cooking, which has helped me develop patience, planning, and time-management skills.
